<b>WALT DISNEY WORLD RESORT</b>	<p>This week, I'm on location at the Walt Disney World Resort in Florida celebrating the 500th Chris Robinson Travel Show</p> <p>There's so much in life worth celebrating! Birthdays. Anniversaries. Reunions. Personal Triumphs. So during 2009, Disney Parks will make it easier for you to magnify the moment in wonderful Disney style! This is the year to gather with all the people who make you the happiest and celebrate at the place where dreams come true.</p> <p>To make your celebration even more memorable, you'll be met with new entertainment and unique experiences that light up your occasion with pure Disney magic. And right now with special offers, you'll be able to kick-off 2009 with a Walt Disney World Resort vacation at a rate so incredible, you won't want to pass it up.</p>
<b>What Will You Celebrate?</b>	<p>The Walt Disney World Resort has always been a place where Guests celebrate milestones - to propose marriage, celebrate a child's graduation, or to pull the whole family together for the golden anniversary of their parents. It's a trend we've noticed for some time in our parks. In 2009, Walt Disney World is poised to turn any special occasion into an exceptional memory with the launch of What Will You Celebrate.</p> <p>Findings of a nationwide survey of Canadian adults showed travelers seek out special moments and milestones to celebrate – "celebration vacations." Research showed that when they take that "celebration vacation," families are looking for destinations that provide activities for children and – better yet – activities adults and children can enjoy together. It's not surprising that Disney Parks topped the list of destinations where families would most like to celebrate these special occasions.</p> <p>Canadian families are hitting the road to mark life's special occasions – birthdays, anniversaries, graduations, reunions and more. Disney parks already are filled with favourite characters, world-class attractions and entertainment, and legendary guest service, offering the perfect setting for celebrating the special occasions in life.</p>
<b>Customizing Your Celebration</b>	<p>Guests can add on to the fun, choosing from more than 200 experiences to customize their celebrations. Depending on the Disney Park they are headed to, guests can order everything from special dining to princess tea parties, from yacht cruises to treasure hunting on a pirate sailing adventure, from a quiet trail ride to parasailing thrills. Or they can opt for magical experiences for their group – from dessert parties to a Magic Kingdom fireworks cruise to special entertainment.</p>
<b>Celebrating in the Parks</b>	<p>Disney has a new line-up of entertainment, allowing guests to focus their celebration on favourite characters, attractions and stories to create a custom celebration in the park, including:</p> <ul style="list-style-type: none"> <li>• <b>Street Parties:</b> Magic Kingdom at Walt Disney World Resort comes to life with interactive street parties. The call to "Celebrate Today!" goes out to guests, music floods the streets, dancing kicks into high gear and the parks become "the happiest party on Earth."</li> <li>• <b>Tomorrowland Party:</b> A high-energy, retro-futuristic music video dance party features Stitch, an interactive dance troupe, and a DJ celebration host who's inviting all Walt Disney World guests to come party, dance and celebrate.</li> <li>• <b>Park Décor:</b> The parks are decorated with colourful banners, balloons and festive party hats – as if awaiting your celebration.</li> <li>• <b>Buttons:</b> Complimentary celebration buttons will help Disney cast members and fellow guests recognize you and your celebration.</li> </ul>

	<p><b>FASTPASS</b> - at no additional charge - Disney's patented FASTPASS system enables guests to avoid lines at the most popular attractions. Issued to a guest with the swipe of a park ticket, each FASTPASS allows the guest to return to an attraction during a one-hour window with little or no wait. Disney studies show FASTPASS users save hours of wait time and see 25 percent more attractions and shows.</p> <p><b>Tip Boards</b> -- Located near the center of each of the four parks, tip boards are good planning tools for guests enabling them to get around in the most efficient way. Tip boards feature up-to-the-minute readouts of wait times at all of the parks' attractions. Cast members are on hand to lend assistance.</p> <p><b>Disney's Magical Express Service</b> -- Guests of most hotels on Walt Disney World property can take advantage of an innovative service called Disney's Magical Express, which offers complimentary airport shuttle and luggage delivery. With the new service, guests check their bags at their hometown airport, bypass baggage claim at Orlando International Airport (OIA) and board state-of-the-art motor coaches to Walt Disney World Resort -- as their bags are transferred to their room. Disney's Magical Express service makes guests' return to Orlando International Airport hassle-free as well.</p> <p><b>Extra Magic Hours Benefit</b> -- Each day, one of the four Walt Disney World theme parks opens an hour early or stays up to an extra three hours, so Guests of Disney Resort Hotels have the opportunity to get extra time in the parks to experience select attractions and meet and greet Disney characters. There is no additional charge.</p> <p><b>Younger children:</b> delight in the whimsical Disney activities designed especially for them -- not to mention magical meetings with the Disney Characters. (Remember, children under three are granted complimentary admission to the Theme Parks.) The Theme Parks offer stroller rental and baby changing facilities. All of Disney's Hotels offer babysitting service and select hotels even provide supervised children's activities. Disney's Blizzard Beach: Take smaller children to Tike's Peak, a kid-size version of Mt. Gushmore with scaled-down attractions.</p>
<b>Tots</b>	<p>Plan to arrive to the parks early and take a break in the middle of the day for lunch and afternoon naps (for parents and tots). Head back to the theme parks in the late afternoon after everyone is well-rested and ready for more fun. Baby Services locations are ideal for moms with infants. Located at all four Disney theme parks, the private rooms offer rocking chairs and low lighting for nursing mothers, feeding rooms with highchairs, bibs and plastic spoons, plus diaper-changing rooms. Baby-care products such as disposable diapers, pull-on rubber pants, formula and teethingers are for sale. No need to pack up all the baby gear for a trip to Disney. In-park stroller rental (\$10 US a day) makes traveling through the theme parks easy. Reserve cribs in advance at one of Disney's resorts. Bed guardrails are available upon request. In-room baby-sitting services (407/828-0920) or resort-based child-care programs such as Mouseketeer Clubhouse or The Neverland Club (407/939-3463) are a great option for parents looking for a night out without the little ones. A theme-park "rider-switch" policy gives both mom and dad a chance to enjoy the latest attractions without the double wait. A parent who waits with a young child while the other parent rides the attraction can get on the ride with minimal wait time once the first parent comes off.</p>

If shown to have that star quality during the screening process and after backstage preparation -- working with a vocal coach, hair and make-up -- it's lights up and showtime for the lucky guest in front of a "live" audience and a panel of judges. Guest performers with the highest votes will compete in an end-of-day Grand Finale show at Walt Disney World, and the winner of the Grand Finale show will receive a guaranteed reservation for a future regional stadium audition -- to ensure no waiting in long lines -- for the "American Idol" TV show. But when it comes down to the television show auditions, everyone is treated equal.
